Jenny's wedding was small and very much appreciated by the guests. We are supplying you with this option as an Inspired Idea to use as a base for your own arrangements. Please feel free to add or subtract parts of these arrangements. You may also ask us for other lovely options in the area. This is a place where you can enjoy dancing and entertainment with live music and a DJ.

The time of year and many other things define the exact price. A cost estimate for 20 pax with wedding planning, a beach ceremony, wedding dinner, dinner florals, bridal hair, make up, bridal bouquet, photos would be about 2800 €
